

Certificate of Approval

This is to certify that the Management System of:

ADREM INVEST S.R.L.

93-95 Emanoil Porumbaru St., 3rd Floor, Park Avenue Building, 1 District, 011427 Bucharest, Romania

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 0027367

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

ISO 14001:2015

Activities including and associated with: Reading of electrical meters for home and industrial clients. Design and construction of electric power supply lines, aerial and underground, at nominal voltage between 0.4 kV and 20 kV, of transformer points/substations with nominal upper voltage up to 20kV, stations of medium voltage, as well as the medium voltage electrical part a of high-voltage stations. Services for electricity measuring groups administration, services for maintenance of low and medium voltage electric power supply networks. Execution of transformer points, of electric stations and works at the electrical parts of the power plants with any standardized nominal voltages. Engineering and technical consultancy services for electro-energetic field. Services for activities in the metrological verification laboratory. Design and execution of photovoltaic solutions, including storage capacities, and energy efficiency solutions such as heat pumps, charging stations.

Paul Graaf

Area Operations Manager, Europe

Issued by: LRQA Limited
